*Headquartered in Irvine, California, Kia America continues to top automotive quality surveys and is recognized as one of the 100 Best Global Brands. Kia serves as the "Official Automotive Partner" of the NBA and offers a complete range of vehicles sold through a network of more than 750 dealers in the U.S., including the Telluride, Sorento and K5 proudly assembled in America.*
The 2022 Rio and Rio 5-door arrive wearing Kia’s new corporate identity. The sporty subcompact is loaded with essential technology and wrapped in a stylish, space-efficient package. An immobilizer is now standard across the entire line.

*The Telluride, Sorento and K5 are assembled in the United States from U.S. and globally sourced parts.

1 MSRP excludes destination and handling, taxes, title, license fees, options and retailer charges. Actual prices set by retailer and may vary.

2 Based on EPA estimates. Actual mileage will vary with options, driving conditions, driving habits and your vehicle’s condition.

3 When engaged, Driver Attention Warning is not a substitute for safe driving and may not detect all instances of inattentive driving practices. Failure to pay attention to travel conditions and vehicle operation could result in loss of vehicle control. Always drive safely and use caution.

4 When engaged, Forward Collision-Avoidance Assist is not a substitute for safe driving and may not detect all objects in front of vehicle. Always drive safely and use caution.

5 High Beam Assist does not operate below certain speeds, or in some lighting and driving conditions. Please be aware of your surroundings and exercise proper road etiquette when operating a vehicle using the high beams.

6 When engaged, Lane Departure Warning is not a substitute for safe driving and may not detect all objects around the vehicle. Always drive safely and use caution.

7 When engaged, Lane Following Assist is not a substitute for safe driving and may not detect all objects around the vehicle. Always drive safely and use caution.

8 When engaged, Lane Keeping Assist is not a substitute for safe driving and may not detect all objects around the vehicle. Always drive safely and use caution.

9 When engaged, Rear Occupant Alert is not a substitute for one’s attention. Always check the vehicle interior when exiting the vehicle.
